Joint Research

Instructions for Individual Countries [excerption]
of FY2021 Application Guidelines

<BELGIUM: Flanders: FWO>
- Based on an agreement with FWO, JSPS will cover the costs of the Japanese team, and FWO will cover the costs of the Flemish team.
- Please be aware that there is another funding agency called F.R.S-FNRS in Belgium, covering the Wallonia-Brussels Federation. Please make sure to submit to Research Foundation - Flanders (FWO) whenever the Belgian research institute is located in the Flemish Community and to submit to F.R.S-FNRS whenever the Belgian research institute is located in the French-speaking community.
- The counterpart Flemish team leaders are to submit their applications to FWO by 2 September 2020 (5 pm Belgian time). Applications submitted by one side only will not be accepted. Japanese/Flemish team leaders should, therefore, be sure that their counterpart submits a matching application. Please note that all members of the Japanese and Flemish research team should update or create an FWO e-portal profile including an updated list of publications.
