

The Funding Agencies annually agree on **the Weave Threshold**, which is publicly communicated. It is set to **20% in 2023**.

The application of the Weave Threshold is explained in details in the table below (*examples in italics*).

<b>Lead Agency (Typical) Funding Threshold</b>	<b>Partner Agency (Typical) Funding Threshold</b>	<b>Process used by Lead Agency for Weave Proposals</b>
<p>More stringent than Weave Threshold</p> <p><i>Agency A has a typical success rate of 15% in its pre-defined funding scheme.</i></p>	<p>More stringent than Weave Threshold</p> <p><i>Agency B has a typical success rate of 10% in its pre-defined funding scheme.</i></p>	<p>Weave Threshold not applied. Lead Agency success rate used.</p> <p><i>The Weave Proposals among the top 15% of all the submitted proposals to Agency A will be recommended for funding.</i></p>
<p>More stringent than Weave Threshold</p> <p><i>Agency A has a typical success rate of 15% in its pre-defined funding scheme.</i></p>	<p>Less stringent than Weave Threshold</p> <p><i>Agency C has a typical success rate of 30% in its pre-defined funding scheme.</i></p>	<p>Weave Threshold not applied.
